

SELPA
**MENTAL
HEALTH
SYMPOSIUM**
MAY 20-21, 2026 • RIVERSIDE CONVENTION CENTER

- 6TH ANNUAL -
CELEBRATING COLLABORATION & WELLNESS

Riverside County SELPA invites you to attend the 6th Annual Mental Health Symposium, **Mental Health Matters**, a two day event at the Riverside Convention Center bringing together educators from across Riverside County and Southern California.

This symposium will feature keynote speakers and breakout sessions focused on Educationally Related Mental Health Services (ERMHS).

**KEYNOTE BY
KYLE GREENE**

Born with purpose and driven by passion, Kyle Greene turned early adversity into a powerful story of resilience.

Now a two-time Amazon self-published author, mentorship expert, and father of two, he empowers others to rise above challenges and pursue their greatest potential. Kyle's message centers on purpose, mindset, and the belief that anyone can achieve greatness with the right support and tools.

Symposium Strands
Supporting Students-
Integrating Mental Health and Learning
Providing Care-
Enhancing School-Based Mental Health Systems
Leading Systems-
Building a Culture of Wellness and Belonging

**KEYNOTE BY
MOLLY GRISHAM**

With a background in communication and coaching she specializes in helping individuals and teams navigate conflict and foster personal growth. She works across education, athletics, and corporate settings, providing practical tools that strengthen communication, rebuild trust, and create healthier team cultures. Her workshops are known for sparking meaningful "lightbulb moments" that empower people to grow, connect, and lead with greater clarity and confidence.
