Audience: Speech-Language Pathologists, Speech-Language Pathology Assistants, general and special education staff, administrators, parents, and others who are interested in the topic

Training Objectives:

How Therapy Changes the Brain - Thursday, April 15	The Adolescent Brain - Friday, April 16
<p>After this webinar, participants will be able to:</p> <ul style="list-style-type: none"> • Apply neuroscience research for differential diagnosis of language and learning problems in school-aged children • Utilize neuroplasticity research to develop interventions that effectively drive experience-dependent, positive, cognitive, and communication development in school-aged children • Select evidence-based interventions for both direct and teletherapy for school-aged children 	<p>After this webinar, participants will be able to:</p> <ul style="list-style-type: none"> • Apply neuroscience research on the adolescent brain for identification of cognitive executive functions that affect communication and academic achievement • Utilize research on adolescence as a second sensitive period of brain maturation to identify students who will benefit from intervention • Apply social-emotional learning and evidence-based practice guidelines for increased therapeutic outcomes with adolescents

Registration Deadline: April 13th, 2021
Click link to register for April 15th: <https://sbcss.k12oms.org/46-198530>
Click link to register for April 16th: <https://sbcss.k12oms.org/46-198531>

Continuing Education (CE): Each half-day webinar qualifies for 3 live CE credits at a cost of \$5.00. If you attend both webinars, the cost is \$10.00, for a total of 6 live CE credits. The information on how to **purchase** CEs will be given during the webinar. *These webinars qualify for Continuing Education (CE) credit for Speech-Language Pathologists and Speech-Language Pathology Assistants as required by the Speech-Language Pathology, Audiology, and Hearing Aid Dispensers Board (SLPAHADB). The provider is East Valley SELPA PDP #275. Due to SLPAHADB requirements, participants must attend the entire half-day webinar to receive CE credit for that day. Deadline to purchase CEs is May 17, 2021.*
