# School Climate Conference

April 7 – 9, 2019 | Pechanga Resort | Temecula, Ca

Join colleagues from across the country at the School Climate Conference in the heart of Southern California wine country.

School Climate Conference will bring the latest research, data trends and program development strategies to participants seeking to enhance their school climate initiatives and LCAP priorities.

School Climate Conference will host 28 workshops which include:

- PBIS/MTSS
- Student Engagement and SEL
- Data Integration
- Youth Development
- Risk Prevention Strategies
- Youth Participatory Action Research
- Drug Trends and Youth Culture
- Mental Health and Suicide Prevention
- Classroom Culture and the Teacher Role
- Grief Group Facilitation
- Any Many More!

Conference Location is the Pechanga Resort and Casino in the Heart of Southern California.

Workshops presented by:
