Please join Riverside County SELPA for this one day event that will feature a keynote address by Dr. Katie Novak, a series of breakout sessions, and opportunities to network around best practices to support the educationally related mental health needs of students. Each participant will have the opportunity to choose three breakout sessions to attend from the following areas of mental health: Social-Emotional Learning, A Legal Perspective on Mental Health Services in Schools, Creating a Universally Designed System of Mental Health Supports, Trauma Informed Schools, and Self-Care & Educator Wellness. RC SELPA looks forward to reconnecting with all of you on May 2, 2022!

Continuing Education Units will be offered at the rate of \$20 for six hours of attendance at the Mental Health Symposium, payable by check or money order. Payment must be sent to the Riverside County SELPA office at 2935 Indian Avenue, Perris, CA 92571 and received by April 1, 2022.
